Overview:

The Aluratek Bluetooth Folio Case with Removable Keyboard for iPad* Air is the perfect solution to carry and protect your iPad while giving you functionality and convenience. This elegant case slips easily over your iPad and allows access to all your iPad's ports. The case has a magnetic clasp so your iPad is held securely in place. You will enjoy the high quality and feel while having comfort in knowing your iPad is protected.
*Please Note: iPad is not included.

The case includes a removable wireless Bluetooth keyboard so you can transform your iPad into your own personal laptop. The Folio Case transforms into a handy and very stable stand with multi-angle viewing, so you can read and view your iPad comfortably. The keyboard is completely detachable from the case while being firmly held to the case with built-in magnets. This allows you to work and adjust the keyboard spacing based on your own comfort level.
